

**ATMA RAM SANATAN DHARMA COLLEGE,
UNIVERSITY OF DELHI**

**Application Form for Research & Innovation Project Proposals under the
PRABODH Scheme**

1. Subject Areas of the Project:
2. Title of Project:
3. Duration of the Project (Maximum 2 years):
4. Origin of the Proposal: (Maximum 300 words):
(Rationale for doing this project should be elaborated)
5. Introduction (Maximum 300 words):
6. Relevance of the research problem (Maximum 300 words):
(social/regional/local/industrial/national importance of the proposed project highlighting what is the new area or gap which will be solved in the project)
7. Research Objectives:
8. Methodology (Maximum 2 pages):
(It should contain all the details of how each of the objectives will be addressed. This section must be detailed and have clear plans.)
9. Expected Outcomes/ Deliverables (Maximum 1 page):
10. Term-wise break-up of the activities:
(Project duration to be divided into two equal terms)

**ATMA RAM SANATAN DHARMA COLLEGE,
UNIVERSITY OF DELHI**

11. Budget Details:

Budget head	Financial support (₹) (Term I)	Financial support (₹) (Term II)
Minor Equipment		
Consumables		
Contingency (20 % max)		
Field work/travel		
Other		
Grand Total:		

12. Justification (for proposed budget):

13. Publications of Project Investigators (PI) and Co-PIs:

(Detailed CV of PI and Co-PIs need to be attached)

14. Any other relevant information about the project:

15. Have you made arrangements for safe and secure disposal of waste generated from components of the research project? (Only for science-related projects; proper disposal of waste is mandatory for funding of the project) *

16. Does the project require any ethical clearances/ approval *?

*** Declaration**

We declare that the project submitted by us has been conceptualized by us. If the grant is sanctioned to us, we will strictly comply with the guidelines of the grant for the duration of the project. We undertake to obtain the necessary ethical clearances or any other clearances/approval required prior to the start of the project. We will also ensure that the mechanism for proper disposal of waste is in place before the start of the project. We understand that disciplinary proceedings / legal action may be taken against us if we fail to abide by this declaration or are found to have given a false statement in the declaration.

Signature of Project Investigator (PI) & Co-Investigators
