

Feedback Action Taken Report

Year 2021-22

The College firmly believes in continuously assessing and improving itself on the basis of the feedback received from its stakeholders. A mechanism has been devised by the IQAC of the College whereby feedback is periodically collected from all its stakeholders viz, students, visitors (such as distinguished guests), parents, alumni and staff. The feedback, so collected, is duly analysed and is used in planning and executing the development plans of the institution as is evident from the following:

- **NIRF Ranking**

The college participated in NIRF Ranking 2022 conducted by the Ministry of Education (MoE), Government of India and secured 7th Rank in College Category. This is a testament to our dedication towards the overall development of our stakeholders.

- **Indian Today Ranking-2022**

Another remarkable achievement for the College is the prestigious India Today Ranking-2022 in the Colleges category in India. The College was ranked all India 5th in placement, 12th in Commerce, 10th in Arts and 17th in Science streams, respectively.

- **Infrastructure Development**

The College aims to scale up its infrastructure to keep pace with ever-increasing demands. Given its proximity to the protected Ridge area of Delhi, we are experimenting with innovative designs and ecologically sound materials to meet institutional needs. Infrastructural facilities have been augmented in order to accommodate more laboratories, research nooks, and reading spaces.

The following infrastructure is added to the existing over the course of the year:

प्रो० ज्ञानतोष कुमार झा / Prof. Gyantosh Kumar Jha
प्रधानाचार्य / Principal
ए.आर.एस.डी. कॉलेज / A.R.S.D. College
दिल्ली विश्वविद्यालय / University of Delhi
घौला कुआँ, नई दिल्ली-21 / Dhola Kuan, New Delhi-21

- The whole campus has been made wi-fi enabled. The college has the bandwidth 10 Gbps which is of highest limit provided by NKN, which supplies internet to all the colleges of Delhi University.
- Audio-visual studio has been formed to record videos. E-content has been developed by faculty members and lectures and reading material have been uploaded on college website and you tube channel.
- Putting the entire administrative functions online and ensuring speedy access to employee and student data.
- A Nescafe` Booth has been installed in the College Campus.

In addition, the College is in the process of:

- Installation of solar panels.
- Setting up of sensors to check on electricity usage
- Constructing a mini auditorium
- Installing a sewage treatment plant. With the process of anaerobic digestion, the sewage sludge could produce enough bio-gas to meet the operational energy needs for the plant and, in the process, even produce a little surplus.
- Ensuring total coverage of the College campus by CCTV.
