The Commerce Department of A.R.S.D College organized a seminar on GST & implementation of GST on 8th September, 2017 in the seminar room of the college. The speaker for the seminar was Mr. Vijay Kaushik from AIFMR. The seminar also had Prof. H.P. Singh from NIESBUD, MSME, Government of India as the chief guest of the day. Mr. Kaushik highlighted the changes that have come into effect as a result of the implementation of GST. He also gave an insightful presentation to the students to make them understand the GST and its implementation which has replaced all indirect taxes levied on goods and services by the Indian central and state governments. With the insights given by the speakers, the students were able to know as to how the GST would subsume with a single comprehensive tax, bringing it all under a single umbrella, eliminating the cascading effect of taxes on the production and distribution prices of goods and services. Also, he highlighted the career prospects available for the young students with introduction of GST in India. Prof. Singh through his presentation also encouraged the students to take up their own innovative ideas for creating job opportunities for themselves. The students thoroughly enjoyed and benefitted from the experience of the chief guest and speaker of the seminar.
