The event progressed with our Principal, Prof. Jha, touching upon some intriguing facts regarding Hindi such as, it is the fourth most spoken language in the world or that it's spoken in thirteen countries and many more. At the end he said that the existence of this topic is merely because of the mindset of the people degrading and devaluing Hindi language. Shridharam sir then took over with felicitating the attendees and giving a short account and history of the Hindi language. Quoting UNESCO 2009 report he said that 169 languages have died in India alone. Approaching the penultimate chapter of the session, Dr. A.P. Singh sir proceeded with the Q&A session where the queries of the attendees were solved. The session came to an end with Raghav conveying the vote of thanks acknowledging the invaluable time and consideration of the speakers.
