FEEDBACK

FEEDBACK

ARSD Youth Conclave'18 was an incredible outcome of determined and dedicated minds. While the Conclave was a big hit in terms of the overwhelming participation, meticulous management and hospitality, it also stayed true to its essence of imparting education to the youth and meaningfully engaging them with the patterns of policy making in national and international arenas. Congratulations to Nimbus on their continuous success!

- Dr Arvind Mishra
Member - Faculty Organising Committee, ARSD Youth Conclave 2018

ARSD Youth Conclave, being the culmination of endless efforts, emotions, dreams and intellect of the brightest minds and the purest hearts, was more than successful in carving out a brand name for itself. The heated debates in the committees re-established our faith in the power of words and knowledge. Being the Secretary General bestowed me with the pleasure of experiencing the third edition grow from the stage of conceptualisation to the final day where I could see the Conclave bask in its glory. It was only because of my wonder team that I could relive the legacy.

- Madhur Mahajan
Secretary General, ARSD Youth Conclave 2018

'ARSD Youth Conclave', the name has held within itself, the power of aggrandisement of the college teamed up with a rekindled spirit of debating ever since its inception. The Third Edition certainly spoke for itself, thereby standing up to the name. It was an absolute honour for me to have served as the Chief Advisor of the conference and work with a dedicated bunch of debaters who pulled off such a stellar conference for the posterity to see.

- Kashish Grover
Chief Advisor, ARSD Youth Conclave 2018

It was a pleasure to be a part of ARSD Youth Conclave. The conference was well organized and the organizing committee was very helpful throughout the event. All the delegates participated actively and made the discussion very interesting and intense.

- Aman Kalra
Chairperson, UNHRC

The conference was a huge success both in terms of tremendous participation and impeccable organisational skills shown by the members of the debating society. The organizing committee's meticulous planning and execution was visible to all.

- Yashdeep Chahal
Moderator, UCOM

ARSD Youth Conclave was a very enriching experience for me. With the best Executive Board and a devoted organizing committee, it ensured that each and every participant learned the most out of it. I would urge everyone to be a part of the conference in their next edition as well.

- Manas Agarwal

Sub: Request for sanction of budget for Nimbus YC – October 5-6 2018

Dear Sir,

It gives me great pleasure to inform you that the 3rd edition of Nimbus YC is to be held on October 5-6 '2018. To this effect, our students and members of the teachers organizing committee have been working towards keeping up with the tradition of excellence that is the philosophy of our college.

Since this year is also the 60th year of our college we have decided to add an extra feature to our YC, apart from the four usual committees, (WTO, HRC, AIPPM, UCOM) we have also included a fifth committee, 'International Press'. This will function like a regular news-room, with editors, and reporters and photojournalists and we'll come out with a newsletter by the end of the YC. This is going to give the participants a sense of how news is reported and will be beneficial to students looking for a career in journalism. Nimbus office bearers have already started the process of spreading the word on social media and have informed me that they have been able to enlist the best names as Executive Board members for our YC. This is a testimony of the immense goodwill and fame that ARSD YC has garnered in our brief foray into the format.

To conduct the smooth functioning of the YC, the students have already organized themselves into teams to plan out the various processes of the YC. They have also submitted the budget for the YC, which has been deliberated upon, along with other allied issues by the teachers' OC.

I hereby request you to kindly sanction the budget at the earliest so that we can start with the process of placing orders for the various logistics. I am enclosing a copy of the detailed budget along with the minutes of the meeting of the OC. The summary of the budget is as follows:

Total Expenditure: 3,15,230 INR
Total Revenue: 2,01,000 INR
(Delegate Fee-4 committees 1000@185 =1,85,000 INR
IP- 800@20= 16,000 INR)
Funds Required from college: 1,14,230 INR

While efforts are being made to obtain funds through sponsorship, it will be some time before it bears fruit. In the meantime it would be extremely kind on your part to sanction adequate budgetary allowance so that we can proceed with the placement of orders for the various logistics.
