**Date of the Program:** 12<sup>th</sup> March, 2017

**No. of the Participants:** 75

**Organized by:** Nimbus: The English Debating Society, ARSD College

**Collaborating Agency:** Carrot Films

**Speaker:** Mr. Kunal Arora, Co-Founder "The Education Tree" and TEDx Speaker

The quest to develop oneself is what keeps the person progressing in both the professional as well as personal front. Learning, Unlearning and Relearning is what keeps an individual and his/her skills relevant to the ever-dynamic environment around us. With this line of belief, a workshop on Self Development was conducted on 12<sup>th</sup> March, 2017 by Kunal Arora, Co-founder of The Education Tree and TEDx Speaker. After an overwhelming response from Mr. Arora's last visit for his Public Speaking Workshop, the society decided to have him for this workshop too. Around 100 students attended the workshop. The honourable speaker of the event, Mr Arora was able to tap the excitement of the attendees and convert it into a quest towards self-awareness and self-development. His words are surely going to have a long-lasting impact on all the attendees. A humongous participation from the interested candidates clubbed with the very able speaker of the event made the event both a huge success and a learning experience for the attendees.
