(7 DELHI BATTALION)

TOTAL CADETS : 100

TOTAL PRESENT : 100

TOTAL ABSENT : 0

ARSD NCC under the Social Service and Community Development (SSCD) and DTE Social Awareness Campaign Activity (DSCA) carried out celebration on World Habitat Day from 02 Oct - 09 Oct 2023. The cadets raised awareness in their surrounding areas by promoting cleanliness and hygiene. The key idea of our celebration is to prompt global reflection on the state of our towns and cities and to reaffirm the basic human right to adequate shelter. Keynote speakers and roundtable discussions focused on global well being were carried and we pledged for a safer, inclusive and sustainable lifestyle. Cadets performed cleanliness drives around their college and living campus, practices like 3R (Recycle, Reduce and Reuse), alternatives to plastic (Jute, paper bag, bamboo cutlery and straws), adopting a Lifestyle For Environment (LiFE) by planting seed saplings to facilitate the growth of new plants for better oxygen and shelter, Distinction of dustbins for different uses (electronic waste, biodegradable waste and non-bio degradable wastes), Co-operation with others in locality to provide a clean and green habitat. ARSD NCC also conducted a group discussion where other students discussed importance, challenges and the need for a hygienic habitat. This initiative by the ARSD NCC cadets motivated the others while we were carried out the drive to come together and provide man power by assisting us and helping in the expansion of our drive. The initiative was appreciated by and all the cadets were successful in bringing significant change to the surrounding areas.
