PRINCIPAL'S NOTE

PROF. GYANTOSH KUMAR JHA
PRINCIPAL, ARSD COLLEGE

I wish the very best of luck to the team of the Finance and Investment Cell of ARSD in their endeavour to create financial awareness at the college level.

In today's fast-paced world, where financial literacy is of utmost importance, such initiatives are much-needed.

I believe that your initiative will not only benefit the students of our college but also have a positive impact on the broader community. By equipping young people with financial knowledge and skills, you are empowering them to make informed decisions about their financial futures, which will lead to a more financially responsible society.

I am confident that this team will lead society to great heights and make our college proud.

TEACHER'S NOTE

MR. UTTAM KUMAR
CONVENER

FIC, ARSD has done a commendable job in and outside the college with educating and engaging students in matters of finance and investment.

By providing workshops, seminars, and other educational opportunities, FIC has helped students understand the complexities of investing, budgeting, and managing debt. I commend the dedication of the FIC team for their efforts in spreading financial knowledge among students and economically weaker sections

I wish for them to always move ahead in their journey of making a financially aware community..

SOCIAL INITIATIVES (PARCHAM)

Parcham is the Social project Unit of FIC ARSD under which FIC undertakes initiatives to spread financial literacy and contribute its share to society, especially the vulnerable sections. The Social Project department of FIC ARSD is its CSR-like initiative working with the intent of "**Giving back to the society**".

Some of the initiatives are-

Study Visit for interaction with the Director and Assistant **Director of NCUI and visits to NCUI Haat and incubation centre.**

The establishment of **Buniyad- The financial literacy drive** among the vulnerable sections, including surveys and sessions.

Distribution of Sanitary Napkins amongst the underprivileged.

SEHAR

The Finance and Investment Cell of Atma Ram Sanatan Dharma College in collaboration with the Umeed Foundation organized a financial Literacy drive - '**Sehar**' for the **Seva Basti near Fortis Hospital, Shalimar Bagh, Delhi on 21st February 2023** under its Parcham- The social Project of FIC, ARSD. An enthusiastic group of **20 individuals** from FIC participated in the drive as volunteers.

The volunteers assisted the members of the Basti in getting registered under various government schemes with the major ones being the **Labour Card scheme**, The widow pension scheme, and the old age pension scheme.

The volunteers explained the benefits and relevance of such schemes and helped the Basti people understand the procedure to enroll in the respective schemes they were eligible for. They further assisted them in documentation work and filling up the forms and were available for redressal of any queries that might arise while enrolling in the schemes.

Twelve registrations were noted under the labor card scheme and **5 registrations** were noted under the old age pension scheme.

FIC, ARSD strives to undertake and expand such endeavours to proliferate financial literacy in the future as well.

BUNIYAAD

FIC ARSD, under their Project Parcham, organized a financial literacy drive '**Buniyaad**' in **Shri Ram JJ Camp, near SVC on 11th September 2022.**

A survey was conducted to obtain data from people of the Basti regarding their average monthly incomes, bank accounts, and knowledge about government schemes so as to custom our session in accordance with the needs of the people there.

Tailor-made to the needs of the people, FIC conducted a session for spreading Financial Literacy like saving bank accounts, FDs, public provident funds, etc. and informing government schemes like the national pension scheme, LADLI, etc.

Post this session, we conducted the second session as our next step in the process of spreading Financial Literacy. In this session, people were helped by our society members to make their **Labour Card** and register for government schemes like **DELHI LADLI Scheme, and Vidhwa scheme on site.**

The R-Studio workshop, held online from **September 13 to September 19** on the Google Meet platform, was a precious learning experience for all of the students as the sessions were interactive, detailed, and quite knowledgeable for all the students.

Dr. Atman Shah hosted the meetings wherein more than 500 students from diverse colleges across Delhi University participated and availed the opportunity to enhance their knowledge of Data Analysis.

Dr. Atman Shah is an assistant professor, in the **Economics department at St Xavier's College, Ahmedabad**.

The sessions commenced with the **absolute basics of R, the commands like addition, subtraction, and multiplication in R**. Thereafter, the 4 divisions of the preface of the application were discussed. The first one was for writing commands wherein the students were supposed to write whatever commands they wanted to seek results for, the second one was for the appearance of results, and the third column was a storage box wherein all the data was mentioned in the console (first column) appeared. The last two days were reserved for the examination for the students to check the acquired knowledge.

FIC SUMMIT'22

The Finance and Investment cell of Atma Ram Sanatan Dharma College (All India rank 7th in NIRF 2022, MoE), University of Delhi organized the FIC SUMMIT'22 on 17th September 2022 in collaboration with the National Cooperatives Union of India (NCUI) to inculcate the seed of financial literacy in the young minds of our generation through a continuous run of enriching events, such as speaker sessions, Research Paper Conference, Financial Literacy Quiz and other thought-provoking and engaging financial activities.

The FIC SUMMIT'22 was graced by eminent speakers like **Ishan Sharma And Saransh Anand, co-founders of MarkitUp**, who in today's age are two of the most influential and inspirational personalities for the people standing near the starting line of their entrepreneurship journey.

SANITARY PADS DISTRIBUTION ON INTERNATIONAL GIRL CHILD DAY: OCTOBER 11, 2022

FIC, ARSD, ensures that social responsibilities are taken into consideration along with other workings of society.

In this light, to stand against period poverty, FIC, and ARSD initiated a sanitary pad distribution drive on International girl child day.

A team of **10 students** from the society visited **Shri Ram JJ Camps, Satya Niketan,** and the nearby areas to distribute sanitary pads to the females.

13TH NOVEMBER 2022 EQUITY RESEARCH SESSION

An interactive session was conducted on the 13th of November by Kashish Kapoor, an investor and associate at Fintech and a content creator. He did a job at 'Deloitte' in audit and assurance and an internship at 'Goals Teller'.

He explains this by taking an example of the music company "tips official"; he represented how to read out things and derive knowledge from them. He assured us that if we follow this action plan for at least 30 days we can have a better understanding of the research done and end up getting better of us and having connections that will help in our further work.

INDUCTION

In order to choose the best and most suitable candidates, FIC, ARSD conducted interviews in both online and offline modes, on **8th and 9th January 2023**.

To cater to over **400 applicants** keen to join the society, the selection process was undertaken in two phases. As the initial round, the task-based round pertaining to different departments of the society was conducted wherein candidates submitted excellent tasks in the field of **content, technical, research, sponsorship, and PR**.

The candidates who made it to the second round after the task submissions were analyzed, further presented their leadership, communication, deliberation, creative and intellectual skills during the second phase, i.e. the interview phase. The interviews were conducted by the core members of the society and divided into 6 panels.

The members were thereafter selected based on their dedication, willingness to contribute, eagerness to learn, leadership, skills, expertise, and knowledge.

MONETAIRE'23

The Finance and Investment Cell of Atma Ram Sanatan Dharma College organized its annual flagship event **Monétaire** on **18th and 19th March**.

The event witnessed **690 registrations** for the three competitions from **top institutions all over India including IIMs, ISB, IITs and colleges across Delhi**.

The preliminary round was organized on 18th March and the top teams were shortlisted for the final round which was held on 19th March 2023.

Power-packed with utmost zeal and enthusiasm, this two day event included the following competitions-

Wealthspeare

Under WealthSpeare, the participants got a chance to answer the question and prove their mettle in three rounds of grueling investing to determine their chosen stock's worth, if it is total treasure or total dust. etary policy, international relations and diplomacy with the objective of maximizing welfare and resolving the crisis with an auction bidding twist.

Worldlywise

This competition involved the fundamentals of national management, evaluated through the lens of economics, monetary policy, international relations and diplomacy with the objective of maximizing welfare and resolving the crisis with an auction bidding twist. This competition sought to engage with prospective economists and analysts to test their understanding on global affairs, crisis management, national macroeconomics as well as auctioneering aptitude to optimize their selection via a multitude of bidding rounds, all in order to maximize their national standing in growth capacity and veritable policy.

Duel of Dominators

To challenge the cerebral intelligence in the battlefield, FIC introduced Duel of Dominators which teleported the participants to a virtual world of warfare where survival and victory depended on their tactfulness and financial management abilities.

The participants herein required to create kingdoms by bidding on different terrains and acquire different equipment to strengthen their arsenals. Each equipment had its own strengths and weaknesses depending on the terrains it is used against.
