Summary:

On the occasion of India's Presidency of 18th G-20 summit, ARSD NCC celebrated by spreading awareness about this important summit at UNESCO World Heritage Site 'RED FORT' on 5th September 2023.

The cadets visited the Red Fort and interacted with domestic as well as international tourists about the G-20 summit. Red Fort holds a significant role in Indian history as this was the first place where after the conclusion of colonial rule our first prime minister Shri Pandit Jawaharlal Nehru unfurled the Indian National Flag. Also this is the place where every year India's prime minister on Independence Day give his remarks to the nation and its progress.

G-20 is a summit of leaders of developed and developing nations who come together to solve issues related to Global Financial Crises, Sustainable development, Climate change and working towards an equitable society. G-20 constitutes of more than 75% of world's population, 85% total global economy and 2/3 of trade routes of the world.

The discussions were held among people from all age group so that the maximum number of people could get awareness about the theme of this summit and realise their fundamental responsibilities.

ARSD NCC cadets also conducted a drive to raise awareness about G-20 at college campus to maximise the target of spreading knowledge about it. Several group discussions and lectures were conducted where students presented their
