Organized by: Shikhar the mountaineering club, ARSD College

Shikhar organised a stall at the Diwali mela AKSA'22 organized in the college. Shikhar and it's team conducted various games and activities such as hit the pyramid, matki phod and tug of war. These games managed to gather a huge audience and our stall arose as the most attractive and happening one out of all its counterparts. We witnessed participation in massive numbers and winners were provided with interesting prizes as well.
