Name of Program: Screening of “THE GODFATHER”

Date & Time: 19th September 2022

No. of Participants: 165

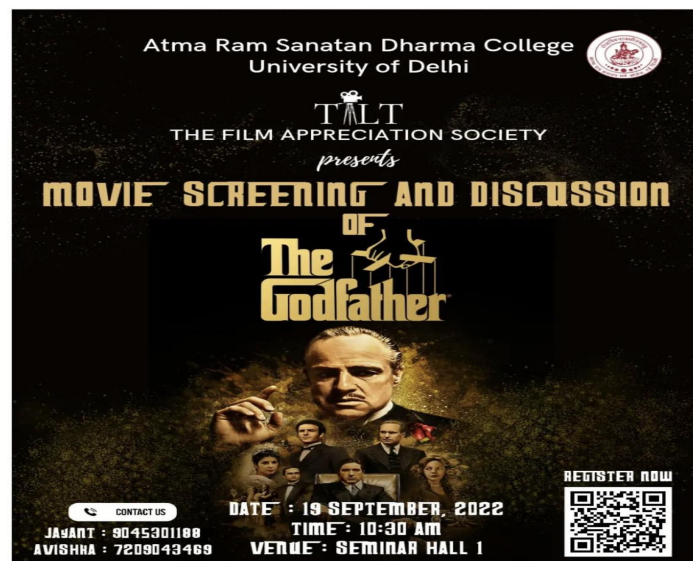

Organized by: TILT – The Film Appreciation Society, ARSD College

Summary: The first offline event TILT – The Film Appreciation Society of ARSD College conducted was a screening of "THE GODFATHER" followed by a discussion on September 19, 2022, at 10:30 AM in Seminar Hall 1.

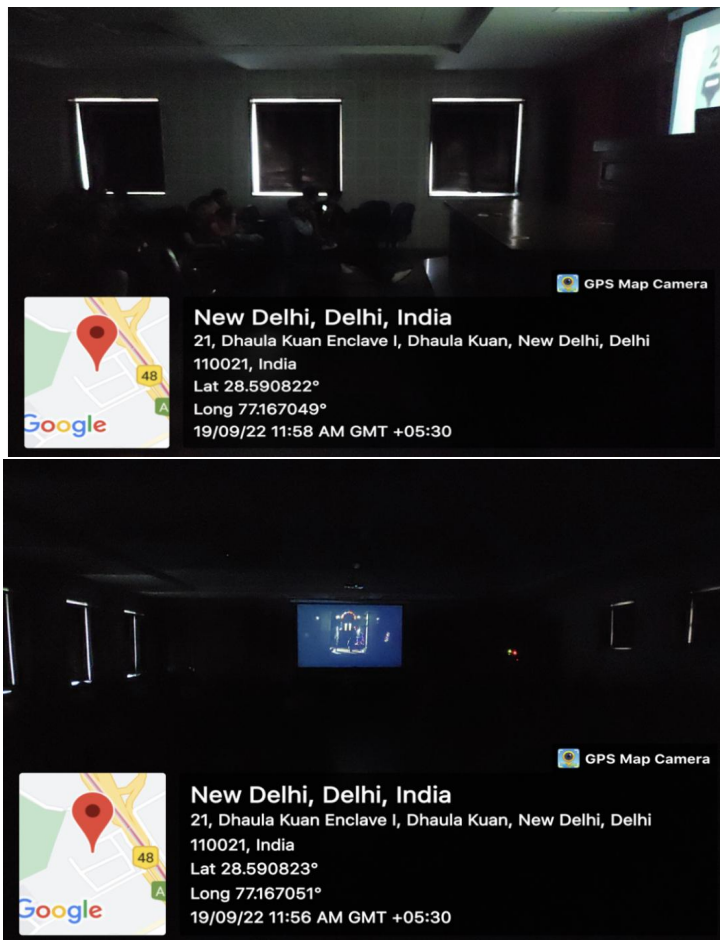

The response of the audience was so overwhelming, we released the registration forms on 13 September 2022 and within just 4 hours we got 165 registrations in total. We had to close the forms due to logistical constraints. The teams were all present in Seminar Hall 1 on the day of the event to make sure everything was in order, and we were ready to go. The ceremony began with a warm introduction from the society's president and vice president in front of a packed house. Fortunately, there were no problems during the screening, which went extremely smoothly. The audience was also very energetic and delighted. In addition, refreshments were offered during the movie's intermission. The crowd was incredibly happy and thoroughly liked the presentation.

The team members and professors, who were helpful and encouraging during the event and directed and assisted us in any way they could, contributed to the success of the screening.
